Injuries & Illness

Staff members certified in first aid will be present throughout each day camp. Our staff are prepared to deal with a variety of injuries or illnesses. You will receive a call about any significant medical situation.

Insurance

In case of accident or illness, your family insurance will be relied on to cover necessary expenses.

Medications

Any medication brought to camp must be

- in its original container
- turned in to the Health Center during drop-off on the first day of camp
- documented (including dosage, time of day, and any instructions for use) on the participant's health form.

Medication is typically dispensed at mealtimes. If your child needs medication at a different time, you can discuss the schedule with a staff member during Monday morning drop-off.

Meals & Food Allergies

- Campers will be provided with lunch and dinner each day, plus access to water fountains throughout the day. We recommend that every camper bring a water bottle.
